GEOLANDAR
X-AT

The ultimate all-terrain tire to handle even the most rugged terrain

The GEOLANDAR X-AT is the ultimate all-terrain tire with more aggressive off-road traction to handle even the most rugged terrain. The GEOLANDAR X-AT combines everything you'd expect from an A/T tire, but with the brute strength your favorite trails demand.

TRUCKS AND SUVs

Built for truck and SUV owners who demand top-tier performance on any terrain.

OFF-ROAD TRACTION

Specially-engineered shoulder blocks provide enhanced strength and grip no matter how rugged the road.

OFF-ROAD DURABILITY

Durable construction protects against impacts and punctures for ultimate peace of mind.

QUIET RIDE

Distinctive tread grooves dramatically reduce pattern and road noise for a smooth, quiet ride.

LONG TREAD LIFE

An advanced compound delivers long tread life, backed by a 70,000 KM Limited Treadwear Warranty.
